An Updated Letter to the Community Regarding COVID-19

May 15th 2020,

To the Cockeyville Community,

As the COVID-19 situation continues to evolve in Baltimore County, the State of Maryland and the United States, the Cockeyville Volunteer Fire Company is issuing this updated COVID-19 statement.

Our first and foremost priority as a company is and remains protecting the communities we serve. As such, we are issuing the following revisions to the April letter:

The following restrictions remain in effect:

- Our hall rental program is temporarily suspended; however, we will continue to accept bookings for events in August 2020 or later.
- We remain unable to offer station tours or admit members of the public to our firehouse for reasons other than emergency situations or for membership interviews.

The following restrictions have been lifted:

- We are now able to accept membership applications, interview candidates and vote members into the company.

We are pleased to offer new initiatives to help the community:

- Our popular birthday parades
- Our popular graduation parades
- A new promotion to rent our York Rd digital sign to display a message of congratulations to your graduate.

Our leadership team is constantly reviewing the COVID-19 situation to determine the appropriateness of restrictions. We thank you for your continued support and offer our hope that the community follows the guidelines of the CDC and Governor Hogan and stays safe, happy and healthy. As the old saying goes: "This too shall pass."

Sincerely

The Cockeyville Volunteer
Fire Company
